When Title IV funds are returned, the student may owe a balance to the institution.

If a student earned more aid than was disbursed to him/her, the institution must send written notification to the student (or parent for PLUS loan funds) to offer a post-withdrawal disbursement for any amount not credited to the student's account no later than 30 calendar days after the date that the school determines that the student withdrew. The institution is required to make a post-withdrawal disbursement within 45 days of the student's date of determination that they withdrew for grants and 180 days of the student's date of determination that they withdrew for loans.

Refunds are allocated in the following order:

- Unsubsidized Federal Stafford Loan
- Subsidized Federal Stafford Loan
- Federal Parent (PLUS) Loan
- Federal Pell Grant
- Federal Supplemental Opportunity Grant
- Other Title IV assistance
- State Tuition Assistance Grants (if applicable)
- Private and institutional aid
- The student

The following is a step-by-step process that is followed in all Return to Title IV funds calculations

- Step 1:** Determine the percentage of aid earned by calculating the percentage of the scheduled hours that the student completed.
- Step 2:** Determine the amount of earned aid by applying the percentage to the total Title IV aid that was or could have been disbursed.
- Step 3:** Determine the amount of unearned aid by subtracting earned aid from disbursed aid *or* determine the amount of a post-withdrawal disbursement by subtracting disbursed aid from earned aid.
- Step 4:** If unearned funds must be returned, determine the schools and the student's shares; *or* if a post-withdrawal disbursement is due, determine the sources from which it will be funded.
- Step 5:** If unearned funds must be returned, allocate unearned aid to programs from which student was funded; *or* if a post-withdrawal disbursement is due, send student applicable notification.
- Step 6:** Return the institution's share and any funds repaid by the student or refer the student to ED; *or* make the post-withdrawal disbursement.

The department of Education provides return of Title IV funds worksheets in Volume 2, Chapter 6 of the FSA Handbook. It has also developed software that automates the calculation. This software can be downloaded via <http://www.sfadownload.ed.gov/ReturnT4Funds.htm>. These are used to calculate all R2T4 calculations. A copy of the worksheet in the event of manual calculation and a computer printout in the event of automated calculation is placed in student's file for records. The office of financial aid performs all R2T4 calculations as it has all Title IV award and institutional charges information which are required in the calculations.

POST WITHDRAWAL DISBURSEMENTS

In the event a student is eligible for a post-withdrawal disbursement based on student's budget, awarded financial aid and Title IV funds and R2T4 calculations, a post-withdrawal disbursement must be made only after the following conditions are met.

Student and parents were in most cases verbally notified of the availability of post-withdrawal disbursements by the Office of Financial Aid within one week from the date of R2T4 calculation was performed.

Student and parents in most cases verbally notified the Office of Financial Aid within a reasonable time indicating their acceptance of available post-withdrawal disbursement amounts. The reasonable time refers to allowing sufficient time to school to process a post-withdrawal disbursement within the deadlines set by the Department of Education.

Student has outstanding institutional charges that are due and wants to pay off those charges by applying his/her post-withdrawal disbursement.

Student/Parents completed all necessary paperwork related to such post-withdrawal disbursement within a reasonable time.

FORMULA CALCULATION

Beauty Technical College Financial Aid Office is required by federal statute to recalculate federal financial aid eligibility for students who withdraw, drop out, are dismissed, or take a leave of absence prior to completing 60% of a payment period or term. The federal Title IV financial aid programs must be recalculated in these situations. If a student leaves the college prior to completing 60% of a payment period or term, the financial aid office recalculates eligibility for Title IV funds. Recalculation is based on the percentage of earned aid using the following Federal Return of Title IV funds formula:

Percentage of aid earned = the number of scheduled hours in the payment period completed up to the student's last date of attendance as per the school's attendance records, divided by the total clock hours in the payment period.

If this percentage is greater than 60%, the student earns 100% of the disbursed Title IV funds or aid that could have been disbursed.

If this percentage is less than 60%, then the percentage earned is equal to the calculated value.

Funds are returned to the appropriate federal program based on the percent of Percentage of aid earned = the number of scheduled hours in the payment period completed unearned aid using the following formula:

Aid to be returned = (100% minus the percent earned) multiplied by the amount of aid disbursed toward institutional charges. If a student earned less aid than was disbursed, the institution would be required to return a portion of the funds and the student may be required to return a portion of the funds. All Title IV funds that the institution must return will be made no later than 45 calendar days after the date the school determines that the student withdrew.

VERIFICATION POLICY

A student must submit all verification documents requested by the school within 48 days. Failure to meet this guideline will result in Title IV processing to cease, as well as, the student being held responsible for all cost incurred during the enrollment period the student is currently in. Upon receipt of the verification documents required by the school, the school will meet with the student to discuss any change of entitlement or award changes at that time in writing.
